## DESIGN-BUILD CONTRACTORS

### TURNKEY DESIGN-BUILD FACILITIES

- Frac Sand Resin Coating Plants
- Frac Sand Drying and Screening Plants
- Proppant Rail Transload Facilities

"Our success in the Frac Sand Industry is the result of designing and constructing industrial facilities with precisely controlled sand systems for over 40 years.

We specialize in turnkey projects, from concept to start up and we can guarantee performance. Without a doubt, our strongest competitive advantage is our process knowledge."
